THE UNIVERSITY

ABOUT BIKANER TECHNICAL UNIVERSITY

TECHNICAL EDUCATION. PURPOSEFUL PROGRESS.

Bikaner Technical University (BTU) was established by the Bikaner Technical University Act, 2017 (Act No. 29 of 2017) of the Government of Rajasthan as the state technical university for Western Rajasthan. It is located at the University College of Engineering & Technology (UCET) Campus, Karni Industrial Area, Pugal Road, Bikaner, bringing technical education, professional learning and research together within a university framework.

Its academic ecosystem extends across engineering, architecture, design, computer applications and management, with undergraduate and postgraduate study complemented by Ph.D. research. The University runs 59 undergraduate and postgraduate programmes, four constituent colleges and 51 affiliated institutions, under a choice-based credit system with AICTE-approved curricula. This breadth of disciplines provides the context for the university's role in the technical education ecosystem of Western Rajasthan. BTU's stated educational approach places innovation, excellence and integrity alongside technical expertise

University is committed to industry-focused education, good citizenship, pride in India and engagement with technological advancement. This perspective connects professional preparation with the wider responsibilities of graduates as members of society, while identifying the preparation of future engineers, scientists and technology leaders as a core objective of the university.

Business and entrepreneurship are also part of this outlook. The university's message highlights economics, finance, marketing and management, with practical skills intended to help students become innovators and entrepreneurs. It looks towards pioneering research and a vibrant community of learners. Together, these priorities describe an institution concerned with knowledge, its application and the meaningful contributions that technically skilled graduates can make to society.

In individual sports events, selection of players for representative university teams shall be conducted in accordance with Association of Indian Universities (AIU) guidelines, taking into consideration performances up to the 6th position in previous inter-university competitions.

Institutional Responsibility

Principals of participating colleges must ensure that every student representing their institution has been duly admitted in full compliance with state government and university admission statutes.

Regulatory Framework & Event Constraints

- ❖ All competitions shall be conducted in accordance with the governing rules of the respective National Sports Federations and the AIU.
- ❖ In individual sports, if a single athlete secures winning positions in multiple events, that athlete alone shall represent the university in inter-university competitions.
- ❖ **Athletics Limit:** Pursuant to AIU rules, an individual athlete may compete in a maximum of two (2) individual events and one (1) relay event.

Selection Trials, Shortlisting, and Minimum Qualifying Standards (MQS)

- ❖ **General Trial Procedure:** Selection trials for all sports shall be conducted immediately following the conclusion of the respective sport's tournament event. The team managers and shortlisted players may contact the organising team of host college regarding trials schedule.
- ❖ **Shortlisting:** Athletes shall be shortlisted for trials during the team events of the competition. The respective Team Manager shall collect the names of shortlisted candidates from the Sports Organizing Committee and notify the concerned players.
- ❖ **Individual Entries Without a College Team:** If a college does not field a team in a particular sport, individual students from that college may still participate in selection trials provided they submit the complete **Eligibility Proforma** and **Player Detail-cum-Parents' Undertaking** with all verified supporting documents as outlined in Clause 2.
- ❖ **Athletics, Swimming, Shooting, and Archery:**
 - ★ No separate selection trials shall be held for Athletics, Swimming, Shooting, and Archery. University team selection shall occur directly during the competition events.
 - ★ **MQS Requirement:** Only athletes who fulfill the Minimum Qualifying Standards (MQS) laid down in AIU Circular No. AIU/MQS/2026/10-13 dated October 8, 2026 (Minimum Qualifying Standards for Athletics, Swimming, Shooting, and Archery for Academic Year 2026-27) shall be eligible for selection to the BTU Bikaner team.
- ❖ **Squad Limits:** Minimum and maximum squad limits for BTU Bikaner teams across all sports shall strictly adhere to AIU guidelines.

Migration Certificate Verification

In respect of student-athletes who have migrated from other universities to participate in inter-collegiate competitions, their **Migration Certificates** must be thoroughly verified by the authorities.

Issuance of Additional Directives

To ensure fair, orderly, and seamless conduct of the BTU Bikaner Inter-Collegiate Sports Championship and selection trials, the University Sports Board reserves the right to issue supplementary circulars, directives, and guidelines prior to or during the events. All host and participating colleges are legally bound to comply with such directives.

THE HOST INSTITUTION

ABOUT SOBHASARIA GROUP OF INSTITUTIONS, SIKAR

Founded in 1999 by the Sobhasaria Jankalyan Trust, Sobhasaria Group of Institutions (SGI), Sikar has developed an educational environment centred on technical excellence and professionalism. Its engineering and management provision is complemented by programmes across the wider group in arts, commerce, science, business administration, computer applications and law.

The Wi-Fi-enabled campus includes a central library and computer centre. Faculty with experience in industry, academia and research support professional preparation, while guest lectures, seminars and soft-skills training connect classroom learning with wider opportunities.

Development beyond the classroom is an integral part of the institutional profile. Sports, gymnasium access and extracurricular activities sit alongside academic learning, encouraging students to grow as professionals and well-rounded individuals. This emphasis on student development provides a fitting context for the championship hosted by SGI.

MESSAGE FROM THE CHAIRMAN

Mr. Prahlad Rai Agarwala

Chairman, Sobhasaria Group of Institutions

Welcome to a celebration of youthful talent and shared purpose. May this championship nurture discipline, character and leadership alongside sporting excellence. Compete with integrity, respect every opponent and let teamwork guide your performance. The habits of fair play and responsibility will serve you well in education, professional life and nation building.

LEADERSHIP & STUDENT DEVELOPMENT

MESSAGE FROM THE PRINCIPAL

Dr. L. Solanki

Principal
SOBHASARIA GROUP OF INSTITUTIONS

**Empowering students through
knowledge, skills and opportunity.**

SGI's focus is on strengthening the quality of education and equipping students with the knowledge and skills to excel in their careers. Skill-based classes introduced from the first-year support professional preparation and have contributed to students securing opportunities with established companies.

The alumni community continues to support the institution, including through placements and internships. Collaborations with companies provide industry-relevant training and exposure, helping students prepare for the professional world before graduation. Infrastructure and learning resources are directed towards an environment that supports student growth and success.

We welcome participating colleges, coaches and students to this championship. May the spirit of healthy competition strengthen discipline, teamwork and leadership. Let every contest be an opportunity to learn, support one another and demonstrate respect for the game.

May every participant return not only with memories, but with greater confidence, discipline and sportsmanship.
