An Education Venture of

A Young Author's Imagination Takes Flight

It is a matter of immense pride and joy to introduce **Miss Aaradhya Agarwal**, an 11 year old child writer and the granddaughter of our Vice Chairman, **Mr. K. B. Agarwala**. She has entered the lovely world of writing with her first storybook, **"A New World Above."** Through this imaginative fantasy story, Aaradhya has demonstrated remarkable originality, imagination, and confidence at such a young age. The book reflects her creative imagination and her ability to create a magical world filled with adventure, mystery, courage, and family values. Her first attempt at writing a book is truly impressive and showcases how young minds can accomplish wonderful things when encouraged to think, imagine, and express themselves.

About the Story

"A New World Above" is a lovely story about Grandma Stephie and her seven grandchildren. One day, the children learn that their family has been protecting a secret magical world filled with dragons, unicorns, mermaids, and many other magical creatures. They begin an exciting adventure to protect these creatures, face many challenges, and bring the magical world and the human world together again. Their journey teaches the importance of courage, friendship, teamwork, and hope. This is a fun and inspiring story that can be enjoyed by readers of all ages.

A NEW WORLD ABOVE

AUTHOR
AARADHYA AGARWAL

Message of the Story

The story teaches us that kindness, trust, courage, and unity can help us overcome fear and solve problems. It reminds us to respect and care for every living being. It also tells us that our differences make us stronger when we work together. Most importantly, the story encourages young readers to believe in themselves, help others, and use their talents to make the world a better place.

Best Wishes from Sobhasaria TIMES

On behalf of the entire **Sobhasaria TIMES** family, we warmly congratulate Miss Aaradhya Agarwal on this wonderful achievement. We wish Aaradhya many more success stories in the years to come. May she continue to write beautiful stories, inspire readers with her ideas, and achieve great heights as an author.

Industry Connect Meet 2026: Bridging the Gap Between Campus and Industry

The event featured Mr. Hanuman Jat, CEO of HJ Infotech, and Mr. Bharat Saini, Founder & CEO of Bharat Group, Co-Founder of SeedAxis, and a proud alumnus of Sobhasaria Group of Institutions from the 2018 graduating batch, as the Chief Guests. The presence of a successful alumnus added a special dimension to the event, inspiring students to view their institution as the starting point of a successful professional journey.

The program commenced with the traditional lamp lighting ceremony in the presence of Goddess Saraswati and Lord Ganesha.

Group Principal Dr. L. Solanki, Group Registrar Mr. Pradeep Sharma, College Principal Dr. Harshita Garg, Vice Principals Dr. Mahesh Dokwal and Dr. Ruchi Sharma, HOD(CS) Mr Dileep Agarwal, faculty members, students, and representatives from participating organizations were present on the occasion.

Addressing the gathering, Group Principal Dr. L. Solanki emphasized that meaningful interaction with industry is essential for preparing students for the challenges of the professional world. He encouraged students to look beyond textbooks, understand changing industry requirements, and continuously develop practical skills alongside academic knowledge.

Sobhasaria Group of Institutions organized the Industry Connect Meet 2026 on 15 September 2026, coinciding with Engineers' Day, with the objective of bringing students closer to the world of industry and helping them understand the skills, expectations, and opportunities that shape today's professional landscape.

Mr. Bharat Saini, an alumnus of SGI and now the founder and CEO of Bharat Group, shared his professional journey and experiences with the students. His journey from the classrooms of Sobhasaria to leading an organization provided students with a relatable and inspiring example of how determination, learning, and professional growth can translate into success. His presence also strengthened the bond between the institution and its alumni.

Mr. Hanuman Jat, shared valuable insights from his experience in the technology sector and highlighted the importance of practical knowledge, continuous learning, adaptability, and keeping pace with emerging technologies. His interaction encouraged students to think about the skills they need to develop to remain relevant in a rapidly changing professional environment.

The meet brought together several industry and training partners who interacted directly with students and introduced them to training programs, career opportunities, and current industry requirements. Students actively engaged with company representatives, explored different opportunities, and received guidance on choosing training programs aligned with their career aspirations.

The Industry Connect Meet 2026 served as a vibrant platform for interaction, learning, and career exploration. More than just an industry interaction, the event reinforced Sobhasaria Group of Institutions' commitment to creating industry ready graduates by connecting academic learning with real world opportunities.

The successful organization of the event reflected the collective efforts of the institution's leadership, faculty members, staff, industry partners student branch of Computer Society of India (CSI), and students, making Industry Connect Meet 2026 a meaningful step towards strengthening academia industry collaboration.

Rotary Club Sikar and Sobhasaria Group Organize Grand Tree Plantation & Karmveer Felicitation Ceremony

Sobhasaria Group of Institutions, in association with Rotary Club Sikar, organized a Grand Tree Plantation and Karmveer Felicitation Ceremony to mark the foundation day of the Rotary Club on 1 July, 2026. The programme aimed to promote environmental conservation and recognize the dedicated services of the institution's Unsung Heroes (Karmveers).

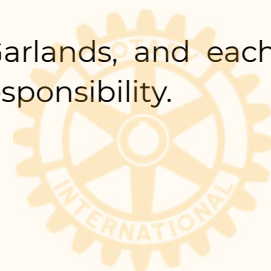

A special highlight of the event was the felicitation of around 50 Karmveers from the housekeeping, security, gardening, watch and ward, and transport departments of Sobhasaria Group. They were honoured with Certificates of Appreciation and Mementos in recognition of their sincerity, dedication, and outstanding services. The initiative acknowledged the invaluable contribution of these silent workers towards the smooth functioning and progress of the institution.

The plantation programme was attended by Rotary Club Sikar members Dr. G. L. Rathi, Club President Dr. Rashmi Garg, Club Secretary Dr. Meenakshi Bhargava, CA Sunil Mor, Dr. Amar Singh Kaviya, Dr. Anita Rathi, Dr. Balwant Singh Chirana, Dr. Divya Kacholia, Mr. Gaurav Somani, Mr. Jagdish Kumawat, Mr. Kishore Pareek, Mr. Laxmikant Biyani, Dr. S. L. Soni, Advocate Sameer Bhargava, CA Sanjay Kumawat, Mr. Vikas Kabra, Mr. Vinod Khandelwal, Mr. Yogendra Sharma, and Mr. Pradeep Nirania.

Rotary Club members were warmly welcomed with Tilak and Garlands, and each guest was presented with a sapling as a symbol of environmental responsibility.

As part of the plantation drive, more than 60 shade and fruit-bearing trees including Mango, Bael, Karanj, Moringa, Thar Shobha Khejri, Bakayan, Arjun, Fig, Custard Apple, Guava and Jamun were planted across the campus. All participants pledged to plant more trees and protect the environment for future generations.

The Rotarians emphasized that trees are essential for maintaining ecological balance, protecting biodiversity, and ensuring a sustainable future. They also highlighted that honouring dedicated Karmveers reflects the true spirit of service, gratitude, and social responsibility. The programme concluded with a collective pledge to protect nature, respect every contributor, and work together for a greener and better India.

HONOURING DEDICATED KARMVEERS

From Sobhasaria Group of Institutions, Trust Representative Mr. Manoj Joshi, Group Principal Dr. L. Solanki, Group Registrar Mr. Pradeep Sharma, Principal Dr. Harshita Garg, Vice Principal Dr Mahesh Sharma, and Head, Sobhasaria Law College, Mr. Shivilal Choudhary, along with faculty members and staff, actively participated in the programme.

Sobhasaria Student Represents Institution at GISEC Global 2026 in Dubai

Jayant Kumar, a **second-year BCA** student of Sobhasaria College, participated as a Student Delegate at **GISEC** (Gulf Information Security Expo and Conference) **Global 2026** and the Quantum Cyber Security Summit, held from 16 to 18 September 2026 at Dubai Expo City, Dubai. During the three-day international event, he attended global workshops and technical sessions, gaining exposure to emerging cybersecurity practices. He also presented theoretical research and a custom-built security tool focused on Post-Quantum Cryptography. His participation highlighted his technical skills, innovative approach and interest in advanced cybersecurity technologies. The institution congratulated Jayant on his achievement and wished him continued success in his academic and professional journey.

Amaresh Tyagi

Assistant Professor

Department of Management Studies

Successfully attended two Faculty Development Programmes at IITs, strengthening a commitment to continuous learning, teaching excellence and academic development. These learnings will be applied to enrich classroom experiences and contribute to the institution's academic growth.

Awarded the prestigious **Savitribai Phule Award 2026** in Jaipur on September 6, 2026. Conferred in the **Best Mentor Award** category during a Teachers' Day celebration, the honor recognizes her exceptional dedication to education. The event, themed "Honouring Women Who Educate. Lead. Empower. Transform," was jointly organized by KRS Educational Consultancy and Ranka Public Charitable Trust, featuring endorsements from prominent legal and academic dignitaries.

Mr Nitin Soni

Assistant Professor

Department of Computer Application

Demonstrated significant academic contributions through four research publications in AI, cybersecurity and digital forensics, international research paper presentation in Rome, Italy, and peer-review activities. Also served as a Chief Resource Person, sharing expertise in cybersecurity awareness and contributing to research excellence and knowledge dissemination.

Four research publications in reputed books and international journals on AI ethics, deepfake detection, cybersecurity and digital investigations.

1] **Title:** Ethics of AI-Driven Brain-Computer Interfaces: A Focus on Security and Data Privacy; **Book:** Brain-to-Computer Interfaces Using Machine Learning and Deep Learning; **Publisher:** Scrivener Publishing LLC

2] **Title:** Deepfake Impersonation in the Big Data Era: Architectures, Threats, and Analytical Countermeasures; **Book:** Next-Generation Big Data: Analytics, AI Integration, and Real-World Applications; **Publisher:** Iterative International Publishers (IIP)

3] **Title:** Smarter Crimes, Smarter Defenses: The Role of Artificial Intelligence in Modern Cybersecurity; **Journal:** International Journal of Advanced Research in Science, Communication and Technology; **DOI:** <https://ijarsct.co.in/Paper33866.pdf>

4] **Title:** Adversarial OSINT: Detecting Manipulation in Public Data for Reliable Investigations; **Journal:** Journal of Information and Communications Technology: Algorithms, Systems and Applications; **DOI:** 10.64189/ict.26305

International Participation: Presented a research paper at the International Experts Summit on Forensic Science and Research 2026, Rome, Italy, from 18–20 June 2026.

Academic Contribution: Invited as Chief Resource Person for a virtual lecture on Cyber Security Awareness at Government Girls College, Sarwar, on 25 September 2026. Received certificates of appreciation for peer-review contributions to ICAANS 2026 and CE2CT-2026.

ACTIVITY

WORKS

3 July 2026 Drone Technology Demonstration

A live drone technology demonstration by WOW Group, Faridabad was held at SGI campus. Students and faculty gained practical insights into drone operations, flight control and applications in agriculture, education and industry. Pilot Arif demonstrated live drone flying, while Director Ravi Dalal highlighted the benefits of drones in crop spraying.

8 July 2026 **BBA Orientation Programme**

Sobhasaria College organized the BBA Orientation Programme for newly admitted students on 8 July 2026, followed by a three-day induction programme featuring management games, business quizzes, presentations, team-building, and personality development sessions. The programme introduced students to academics, campus culture, and career opportunities while fostering leadership, communication, teamwork, and confidence for a successful management education journey.

14 July 2026 **BA LL.B. Orientation Programme Held**

Sobhasaria School of Law organized an orientation programme for first-year BA LL.B. students to introduce them to academics, discipline, curriculum, internships, moot courts, and career opportunities. Faculty members motivated students to pursue legal education with dedication, ethics, and social responsibility, ensuring a confident beginning to their academic journey.

15 July 2026: **B.Tech First-Year Orientation Day Organised**

Sobhasaria Group of Institutions welcomed newly admitted B.Tech students through a grand Orientation Day. The programme introduced students to academic policies, laboratories, research, skill development, placements, innovation, and campus facilities. Speakers encouraged discipline, continuous learning, and technical excellence while inspiring students to build successful engineering careers through dedication and innovation.

15 July 2026**World Youth Skills Day with Tech Innovation Showcase**

Celebrated World Youth Skills Day 2026 under the theme “Future Tech Skills: Where Ideas Become Innovation.” Students showcased projects in Artificial Intelligence, IoT, Machine Learning, Cybersecurity and Web Development. The programme featured a project exhibition, technical presentations, faculty interactions and certificate distribution. HOD Mr. Dilip Agarwal and Dean Skills Dr. Rajesh Gaur encouraged students to pursue technical excellence and innovation.

**23 July 2026:****Orientation Programme Degree College Studnts**

Sobhasaria College organized an orientation programme for newly admitted students, highlighting the National Education Policy 2020, academic framework, campus facilities, skill development, and career opportunities. Through inspiring addresses and informative presentations, students were encouraged to embrace innovation, discipline, leadership, and lifelong learning for holistic personal and professional growth.

**25 July 2026****Sobhasaria College Hosts Grand Alumni Meet**

Sobhasaria College organized a grand Alumni Meet to strengthen ties with its former students. Alumni fondly recalled their college days and received their degrees during the event. Addressing the gathering, dignitaries highlighted the importance of alumni in institutional growth. Cultural performances added vibrancy, making the reunion memorable and inspiring.

27 July 2026 Meet the Entrepreneur Programme

The Meet the Entrepreneur Programme was organised to promote entrepreneurship, innovation, leadership and communication skills among students. Keynote speaker Dr. Amit Mathur, Founder of 89.6 FM Sikar, shared his entrepreneurial journey and encouraged students to embrace innovation and turn challenges into opportunities. Radio Jockeys RJ Suraj, RJ Sandeep and RJ Naina interacted with students, highlighting career opportunities in the media and the importance of communication and personality development. .

**31 July 2026 Expert Lecture on VLSI and Semiconductor Careers**

Sobhasaria Group of Institutions organised an expert lecture on “Career Opportunities in VLSI and Semiconductor Industry” for engineering students. Experts Mr Ranveer Singh and Mr Sanjay Kumar Saini from Truechip discussed India’s expanding semiconductor ecosystem and emerging career opportunities in chip design, verification, FPGA and embedded systems. Group Principal Dr. L. Solanki encouraged students to strengthen their technical skills through internships and industry oriented learning.

**3-8 August 2026 Six Day Cyber Security with AI Workshop**

The Computer Science and Engineering Department of Sobhasaria Group of Institutions inaugurated a six day “Cyber Security with AI” workshop under the aegis of the Computer Society of India (CSI), in collaboration with Linux World Jaipur. Group Principal Dr. L. Solanki highlighted the growing importance of AI driven cybersecurity skills.

The workshop provided hands on training, exposure to modern security tools and expert sessions to prepare students for emerging cyber threats and industry challenges.

6 August 2026 **Adani Cement Conducts Online Seminar**

The Civil Engineering Department of Sobhasaria Group of Institutions organised an online seminar titled "FutureX for Students" in collaboration with Adani Cement. CEO Vinod Baheti discussed technological innovations, skill development and career opportunities in the construction industry. Adani Cement officials shared insights into cement manufacturing, quality standards, internships and employment prospects.

13 August 2026 **Tricolour Rally Organised Under NSS**

Sobhasaria College organised a Tricolour Rally under the National Service Scheme (NSS) to promote patriotism, unity and national pride. Students enthusiastically participated in the rally, carrying the national flag and raising patriotic slogans, including "Vande Mataram." Group Principal Dr. L. Solanki, Principal Dr. Harshita Garg, Registrar Mr. Pradeep Sharma, Vice Principal Dr. Mahesh Dokwal and other senior officials attended the event. The rally was conducted under the guidance of Sports Officer Munni Chouhan and NSS Officer Dr. Komal Lata Naggal.

15 August 2026 **The Institute Celebrates 80 th Independence Day**

Sobhasaria Group of Institutions celebrated India's 80th Independence Day with great enthusiasm and patriotic fervour. The programme commenced with flag hoisting and the National Anthem, followed by patriotic songs, poetry and cultural performances by students. Subedar Major (Capt.) Chandgiram Samota and Assistant Professor Sanjeev Agravat were honoured for their dedicated service. Students also took a pledge to contribute towards building a drug free India.

17 August 2026 Siddharth Sharma's Success Story

Sobhasaria College organised a motivational seminar featuring alumnus Siddharth Sharma, currently working under the Government of India. He shared his experiences and success journey, encouraging students to remain focused, study regularly, maintain discipline and work hard. Mr. Manoj Joshi honoured the alumnus with a memento and appreciated his efforts in guiding fellow students.

**24 August 2026 MBA Orientation Programme**

Sobhasaria Group of Institutions organised a two day MBA Orientation Programme 2026 for newly admitted students on 1 September 2026. The programme introduced students to the MBA curriculum, faculty, mentoring system and career opportunities. Interactive activities including team building, communication and leadership exercises provided practical learning experiences. A plantation drive under “Ek Ped Maa Ke Naam” promoted environmental responsibility. The programme concluded with certificate distribution, motivating students towards professional growth, teamwork, leadership, skill development and social responsibility

**25 August 2026 Eco Friendly Rakhi Making Competition**

Sobhasaria College organised an eco friendly rakhi making competition to promote creativity and environmental awareness. Students crafted rakhis using natural and reusable materials, encouraging sustainable celebrations. Khushi Kanwar (BA) secured first position, Jeena (BA LLB) won second place and Priyanka (B.Tech) secured third position. Principal Dr. Harshita Garg appreciated the initiative and encouraged students to celebrate festivals in an environment friendly manner. Dr. Komal Lata Nagpal coordinated the event.

25 August 2026 National Sports Day Celebrated

The college celebrated National Sports Day on 29 August 2026, commemorating the birth anniversary of hockey legend Major Dhyan Chand Ji. A tribute was paid to the legendary sportsman, remembering his outstanding contribution to Indian hockey. Various sports events were organised to promote sportsmanship, physical fitness, teamwork and enthusiasm among students.

1 September 2026 60 Days English Spoken Classes

Sobhasaria Group of Institutions has introduced Spoken English and Communication Mastery Classes to enhance students' communication skills and confidence. Led by Mr Sanjay Kumar Sharma an Assistant Professor and Founder of English Ka Professor (EKP), the programme follows a blended learning approach, with one hour of offline classroom sessions and one hour of online learning through YouTube. The sessions focus on fluency, vocabulary, pronunciation, presentations, interviews and public speaking. The initiative aims to help students express themselves confidently and develop essential skills for academic and professional success.

3 September 2026 Janmashtami Celebration

Sobhasaria College celebrated Janmashtami with vibrant cultural performances and a traditional Matki Phod ceremony. Students participated enthusiastically in devotional songs, dances and creative presentations, creating a festive atmosphere on campus. The celebration promoted cultural awareness, teamwork, confidence, creativity and leadership among students.

**5 September 2026 School of Law Hosts IGNITE Freshers Party**

Sobhasaria School of Law organised “IGNITE,” a Freshers Party to warmly welcome newly admitted students and celebrate the beginning of their college journey. The event featured lively cultural performances, music, dance and talent based activities. Madhav Chaudhary was crowned Mr. Fresher, Pratibha Rathore was crowned Miss Fresher, and Gargi Sharma won the Best Performance award.

**9 September 2026 Guest Lecture on Concrete Technology**

Sobhasaria Group of Institutions organised an industrial guest lecture on “Essential Requirements and Properties of Concrete” for Civil Engineering students. Amiesh Bishani, RTSM, Adani Cement, shared practical insights into workability, strength, durability, impermeability, cohesion, crack resistance, setting and hardening of concrete. The session also covered quality control and industry expectations. Students actively interacted with the expert and explored career opportunities, strengthening the connection between classroom learning and industry practices.

14 September 2026 School of Law Celebrates Hindi Diwas

Sobhasaria School of Law celebrated Hindi Diwas with a vibrant cultural and literary programme highlighting the richness of Hindi language, literature and Indian culture. The event began with a devotional rendition of “Vakratunda Mahakaya” and featured music, poetry, recitations and literary presentations by students and faculty. The programme encouraged students to appreciate Hindi, creativity and India’s cultural heritage.

16-18 September 2026 Three Day Management Fest 2026

Sobhasaria Group of Institutions successfully organised its three day Management Fest 2026 to develop practical management skills, entrepreneurship, analytical thinking, leadership and decision making among students. The fest featured Biz Quest, Shark Tank, Financial Analysis and SWOT Analysis competitions. The activities provided practical exposure to business situations and professional challenges.

17 September 2026 School of Law Celebrates Democracy Day

Sobhasaria School of Law organised a workshop, speech competition and quiz on “Democracy” to promote awareness of democratic values, constitutional rights and civic responsibilities. The programme featured sessions on youth participation and responsible citizenship, with students from Law, Engineering and Degree Colleges participating actively. Nisha Takhar secured first position and Rishabh Rai won second place in the speech competition. The event encouraged critical thinking, civic awareness and responsible participation in democratic processes.

**17 September 2026 MCA Orientation 2026**

Sobhasaria Group organised the MCA Orientation Programme on 17 September 2026 at Silver Jubilee Hall for newly admitted students. HOD Mr. Pritam Lata welcomed the students, while Group Registrar Mr. Pradeep Sharma highlighted the advantages of pursuing MCA at Sobhasaria. Dr. Harshita Garg, Dr. Mahesh Dokwal, Dr. Ruchi Sharma, faculty members and students attended. The programme began with Tilak ceremony for first year students, followed by ceremonial lamp lighting

**17 September 2026 Students Gain Exposure at SEMICON India 2026**

I Year B Tech (VLSI) students Ansh Dixit and Krishna Saini participated in SEMICON India 2026 at Yashobhoomi, Dwarka, New Delhi. They explored technical sessions, exhibitions and industry interactions, gaining valuable insights into semiconductors, electronics, chip design, manufacturing and emerging technologies. The event provided exposure to industry requirements, innovations and career opportunities, strengthening the students' technical awareness, confidence and professional outlook.

18 September 2026 Drug Free India Awareness Programme

Sobhasaria School of Law organised an awareness and pledge programme under the “Nasha Mukht Bharat Abhiyan,” in accordance with the directions of Dr. Bhimrao Ambedkar Law University, Jaipur. Students, faculty and staff pledged to stay away from substance abuse and spread awareness in society. Dr. Ruchi Sharma highlighted the importance of keeping young people free from addiction. The programme reinforced the message of building a healthy and aware society.

**25 September 2026 Smart Investor Awareness Program**

The Department of Management organised a Smart Investor Awareness Program for BBA and MBA students in association with SEBI, NSE and MCX to promote financial literacy and investment awareness.

Dr. Raman Soni, Chief Guest and Resource Person, provided valuable insights into various investment avenues, financial planning, risk management and the importance of making informed investment decisions.

**28 September 2026 Startup Awareness Program**

A Startup Awareness Session was organised to introduce students to opportunities in innovation, entrepreneurship and startups. Mr Naresh Kumar, iStart Rajasthan, explained financial assistance, incubation and mentoring facilities available to aspiring entrepreneurs. Students also learnt about Startup Rajasthan Best 2026, iStart registration and free courses, and presented innovative startup ideas. HOD, Electrical Engineering Mr Ravi Soni coordinated the event.

Creativity TIMES

Where words become worlds

अपनी पहचान

कि घर से निकले हैं अब अपनी पहचान बनाने,
पहचान बनेगी या खुद को जानें।

जो कहते थे, असल ज़िंदगी यही होगी,
अब उन्हें कौन समझाए, क्या समस्या सच में कम होगी?

हाँ, अब मैं खुद से सवाल पूछ पाऊँगी,
पर सवाल पूछते-पूछते, जवाब में क्या मैं खुद को जान
पाऊँगी?

और क्या जानते-जानते अब खुद को समझ पाऊँगी?
लगता है जैसे एक नया-सा रास्ता शुरू हुआ है,

पर क्या इस सफ़र को ठीक से जी पाऊँगी?
आज यहाँ खड़े होकर मन में सवाल तो बहुत हैं,

पर अपने बड़ों को देखते-देखते,
कुछ नया सीखकर ही जाऊँगी।

आखिर मैं...
मैं अपनी पहचान खुद ही बनाऊँगी,
हाँ, मैं खुद ही बनाऊँगी।

A Proud Milestone in Leadership

(Vice Chairman Shri Kunj Bihari Agarwala sharing the dais with the Chief Minister of West Bengal)

A grand Civic Felicitation Ceremony was organized on 6 August 2026 at Maha Jati Sadan Auditorium, Kolkata, to honour Shri Shubhendu Adhikari, Chief Minister of West Bengal. The event brought together eminent personalities from the social, cultural, spiritual, literary, educational, industrial, and healthcare sectors. The dignitaries on the dais included Dr. Savar Dhanania (Chairman), Shri Hari Mohan Bangur (Chief Guest), Shri Rajendra Singh Rathore (Guest of Honour), Shri Lalit Beriwal (Industrialist), Shri Vijay Ojha (MLA, Jorasanko), and Shri Kunj Bihari Agarwala (Industrialist).

Representing the RUPA Group, Shri Kunj Bihari Agarwala, Vice Chairman of Sobhasaria Group of Institutions, was among the prominent dignitaries on the dais and had the privilege of felicitating and honouring the Chief Minister. His presence at the prestigious event reflected the growing recognition and stature of the RUPA Group among distinguished national leaders.

FROM THE CHIEF EDITOR'S DESK

It gives me immense pleasure to present the eleventh edition of Sobhasaria TIMES. The overwhelming response from our readers continues to motivate us to bring each edition with renewed enthusiasm. We sincerely thank our readers for their continued support and warmly welcome our new readers to the Sobhasaria TIMES family. The new academic session, which began in July, witnessed encouraging admissions across all programmes. This reflects the trust placed in Sobhasaria and our commitment to providing quality education, skill-based learning and industry-ready training to our students.

A major highlight of this quarter was our annual Industry Connect Meet, organised on Engineers' Day. We were honoured to welcome Mr Hanuman Jat, Founder of HJ Infotech, and Mr Bharat Saini, Co Founder of Seed Axis and CEO of Bharat Group, and an alumnus of our institution, as chief guests. Their interaction with students and support in providing placement opportunities further strengthened our industry-academia partnership. We express our sincere gratitude to them.

During July to September, several training programmes, workshops and seminars were organised to enhance students' knowledge and professional skills. Believing in the holistic development of students, the institute also conducted industry visits, sports events, tree plantation drives and various socially productive activities to promote teamwork, environmental awareness and social responsibility.

Our focus remains on nurturing confident, skilled and responsible individuals who are prepared to meet future challenges. I appreciate the efforts of our management, faculty, staff and students in making these initiatives successful.

I am confident that our journey of learning, innovation and achievement will continue with the same enthusiasm.

With best wishes,
